6. What if I fail to fulfill my obligations?

a) Compensation Charges (Ta'widh), causing total obligations to increase.

The Customer shall pay the Bank Compensation Charges (Ta'widh) as follows:

- Before maturity of the facility

A sum equivalent to one per centum (1%) per annum on overdue instalment(s) until date of full payment;

$$= \text{Overdue instalment} \times 1\% \times \frac{\text{no. of days overdue}}{365}$$

- Upon maturity of the facility or Judgement

A sum equivalent to the prevailing daily overnight Islamic Interbank Money Market Rate (IIMM) on outstanding balance i.e. outstanding Selling Price less *ibra'* (if any);

$$= \text{Outstanding balance} \times \text{prevailing IIMM} \times \frac{\text{no. of days overdue}}{365}$$

b) Revised Effective Profit Rate

1. In the event your facility is classified as Impaired Financing (Non-Performing Financing):

Profit Rate

- Payment of the monthly instalments of the Bank's Sale Price
the Bank shall revise the effective profit rate in your Letter of Offer to Base Financing Rate (BFR) + 3.50% per annum ("p.a.") calculated on the outstanding principal, or such other rate or basis of calculation of the rate as the Bank may determine at its discretion at any time and from time to time..

2. Prior to the revision of the rate, the Bank shall provide a written advance notice of not less than 21 days.

3. If you have regularized your account and after due assessment of the Bank, the Bank shall reinstate the effective profit rate as per the Letter of Offer regardless whether you submit application for the reinstatement or not.

If your effective profit rate has been reinstated, but subsequently revised again due to paragraph (1) above, the Bank shall reinstate the rate after regularization of account as per the Letter of Offer, upon application for reinstatement by you and due assessment by the Bank.

4. The above revised effective profit rate is subject to not exceeding the ceiling profit rate.

- c) Right to commence recovery or legal action
A Letter of Authorization from the customer authorizing the Bank to debit the Islamic Current Account with the Bank for servicing the monthly payment, sinking fund or any amount due respect of the financing is to be obtained. The financing account is to be tagged for Automatic Fund Transfer (AFT). Legal action will be taken against you and guarantors if you fail to respond to reminder notices. Legal action against you and guarantors which may affect your credit rating leading to credit being more difficult or expensive. The Bank has the right to commence recovery activities (including engaging third-party debt collection agencies), foreclosure and bankruptcy proceedings.
- d) We may set-off any credit balance in account maintained with us against any outstanding balance in this facility account by providing seven (7) calendar days of prior notice to you.
- e) Legal action will be taken against you if you fail to respond to reminder notices. You will have to bear all costs in relation to the same. You are responsible to settle any shortfall (if any) after legal action has been taken against you.
- f) Legal action against you may affect your credit rating leading to credit being more difficult or expensive to you.
- g) Please refer to your responsibilities as stated in the Letter of Offer.

7. What if I fully settle the financing before its maturity?

The Bank does not impose a lock-in period for this facility and there is no fee imposed for early settlement before maturity. However, the Bank shall have received from the Customer prior written notice ("Early Settlement Notice") of its intention to make early settlement specifying the relevant amount to be paid and the date of such payment failing which the Bank shall have the right to factor in such associated costs or charges in reducing the ibra' amount.

The Bank shall grant rebate (ibra') which is equivalent to the deferred profit at the point of settlement.

Ibra' (rebate) formula :

Ibra' (rebate) on early settlement = deferred profit-reasonable estimate cost incurred by the Bank.

Note:

- Deferred Profit = Total Contracted Profit – Accrued Profit
- Total Contracted Profit = Bank's Sale Price – Bank's Purchase Price Bank's Purchase Price(Accrued Profit is calculated on Effective Profit Rate of the outstanding Bank's Purchase Price Bank's Purchase Price (of Financing Amount) being utilized.

8. Do I need any takaful coverage?

- It is highly recommended for Customer / guarantor(s) / owner of the business to take up Family Takaful products with the Bank's preferred Takaful partners.
- Notwithstanding this, you are free to use the service of any Takaful operators of your choice that provide adequate coverage against such risks as the Bank may require and determine fit.

9. What are the major risks?

The payment of Bank's Sale Price is by way of periodical installment, an increase in the Base Financing Rate (BFR) as in the case of floating rate will result in higher installment; but is capped at ceiling profit rate of 12.00% per annum. The Bank will notify customer on the changes to the installment due to BFR prior to the effective date.
